ABOUT US

Zhejiang Cyralighting Co., Ltd.

A design-led outdoor lighting solution manufacturer with 17 years of industry experience.

Founded in 2009, we have been deeply engaged in the field of outdoor lighting technology since our establishment. After more than a decade of development, our product line has continuously expanded and enriched, now fully covering a complete range of outdoor lighting products such as floodlights, streetlights, gardenlights, walllights, and ceiling fan lights, to meet the diverse needs of different scenarios.

Core Advantages

Integrating precision engineering technology with architectural aesthetic design, we focus on providing small-batch customized services for various global projects, achieving the perfect unity of functionality and artistry.

Solid Strength

- **Production Scale:** Boasting three modern production bases, including a 20,000-square-meter headquarters in Shishan, Foshan, a 40,000-square-meter second factory in Zhaoqing, and a 70,000-square-meter third factory. The total production area reaches 130,000 square meters,

- **Capacity & Global Layout:** Equipped with over 100 professional production lines, the annual production capacity is as high as 15 million sets. Our products are exported to more than 80 countries and regions worldwide, winning wide trust from customers at home and abroad with stable quality.

- **R&D & Equipment:** We have set up a professional R&D laboratory, equipped with 6 large die-casting machines, 12 automated production equipment, 2 automatic polishing machines, 4 high-precision CNC machine tools, and dozens of professional testing equipment. We implement full-process standardized management from R&D, production to quality control.

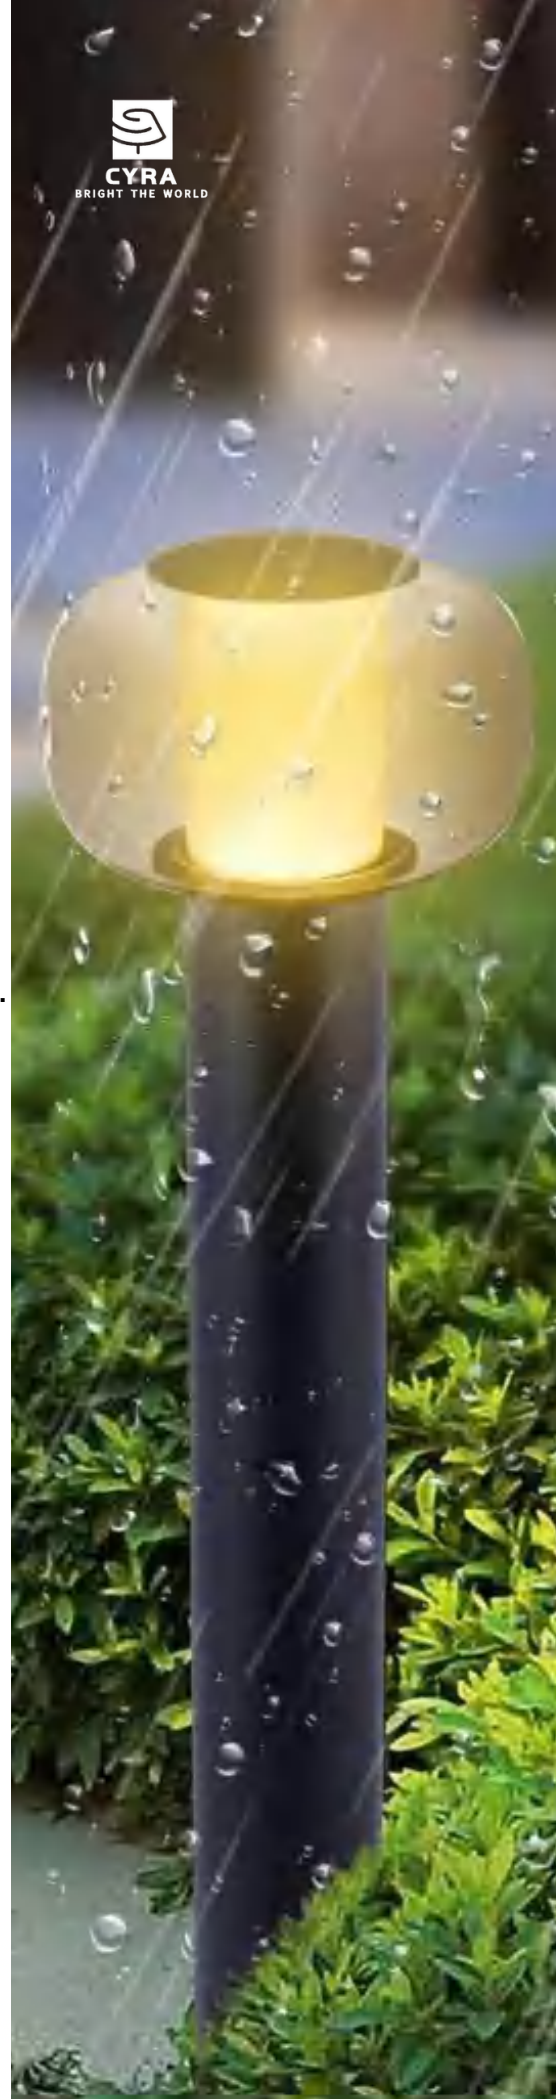

What we offer is more than lighting products — it's exclusive customized services and in-depth collaborative partnerships.

From design consultation, solution customization to on-time delivery, we always work closely with architects, specifiers, and distributors to ensure the seamless execution of every project.

Choose Cyralighting to make your global lighting projects reliable in quality, flexible in adaptation, and durable in performance. Light up the world with confidence!

They are not just lighting fixtures – they are functional art.

Voltage: AC 85-265V 50/60HZ
Size: 145/160mm

ITEM NO: CY8010
POWER: MAX 40W E27
CCT: 3000K/4000K/6000K
Voltage: AC 85-265V 50/60HZ
Size: 150/220/360/320mm

Material
Aluminum+PC

Outdoor Pillar
Lamp
